## High Grade Nursery Stock Forest Tree Seedling, Ornamental Shrubs Lining Out Stock our Specialty

TERMS, ETC.—All bills for fall shipment due Dec. 1st; all bills for Spring shipment due June 1st. 10% Discount for Cash with Order. Where cash in full accompanies order we make no charges for boxes. Usual credit to well established customers but cash to others. We will replace any trees or plants that do not prove true to name, but under no circumstances will we be liable for a greater sum than the price originally paid.

CERTIFICATE OF INSPECTION:—A Certificate from The State Entomologist will Accompany all Shipments.

A WORD ABOUT OUR STOCK.—We have increased our planting in a way that we can now furnish a good assortment of a large variety of Flowering Shrubs as well as Tree Seedlings in large quantity.

Our seasons so far have been favorable and our stock is fine. Give us a trial order at least. We thank all our customers and friends for their liberal amount of business in the past and assure you that we will appreciate any amount of your trade in the future.

## Forest Tree Seedlings Collected

(Note)

This stock is not nursery grown, but is collected from the forest. We do not recommend the plantings of this collected stock as a sure planting however it is possible to get a fair percent of most varieties of collected seedlings to grow with proper management, we cut back all seedlings to crown before transplanting.

	Per 100	Per 1000
